THE MARSHALL CENTER

The Marshall Center serves as the student union for the University's Tampa Campus. The Marshall Center was originally built in 1960 as a 107,000 square foot structure to serve the needs of the University's small but growing population. In 2008, the University completed construction of thew Marshall Center which replaced the original Marshall Center and is an approximately 229,000 seq foot state-of-the-art facility that provides the University community with food service operations, illetænues, conference and meeting spaces, and student organization space.

The Marshall Center Revenues are the primary source of revenues pledged by the Financing Corporation under the Indenture. "Marshall Center Revenues" means the Marshall Center Use Fees, the Allocable Portion of the A&S Fees and the Retail and Rental Revenues. Seeoficial Summary of Fiscal Balances" and "Historical Summary of Revenues and Expenditures" below for more information.

COVID-19 Disclosure

In March 2020, the University of South Florida contectro remote instruction in response to the public health crisis created by the COVID-19 pandemic.
