

## AUNISANIAN VOLUMBUMARAATUSI A

This curriculum plan is for students in the Fuse program entering their first semester of college at a Florida College System (FCS) institute

Fuse students entering during a different academic year must follow the Fuse curriculum plan for that year.

Students must meet multiple requirements, including prerequisite courses and a minimum grade average in specified major-related courses, for admittance to the Computer Engineering major at USF. Currently,

).
Connect regularly with your advisors to ensure you understand and are meeting all requirements.
